The defendant, by and through his attorneys, respectfully moves the Court for an order extending the time limits under the Local Rules in which correspondence with respect to sentencing procedures are due. The current scheduled date is May 4, 2010, and a two-week extension is requested to May 18, 2010, respectively. The reasons for this motion are as follows. This case is complex and involves complicated guideline calculations and voluminous documentary evidence. Counsel and Mr. Beliveau need additional time to review the presentence report and to discuss potential amendments and objections to the report.

This motion is based on all records, files and proceedings herein and the need for additional time to adequately respond to and resolve any difficulties in the presentence investigation.

Dated: May 4, 2010

Respectfully submitted,
